STATEMENT OF MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL STATEMENTS

The management of JIL SANDER J. LITERAL is responsible for the preparation and fair presentation of the financial statements, including the schedules attached therein, for the period ended December 31, 2022 (with comparative figures for December 31, 2022), in accordance with the prescribed financial reporting framework indicated therein, and such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statement, management is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative to do so.

The Management is responsible for overseeing the company's financial reporting process.

The Management reviews and approves the financial statements, including the schedules attached therein, and submits the same to its owner.

Mr. Elvin P. Vargas, the independent auditor, appointed by the management has audited the financial statements of the company in accordance with Philippines Standards on Auditing, and in its report to the management, has expressed its opinion on the fairness of presentation upon completion of such audit.

INDEPENDENT AUDITOR'S REPORT

JSL Builders and Construction Supply Engr. Jil Sander J. Literal Poblacion I, Victoria, Oriental Mindoro

Report on the Audit of the Financial Statements

Opinion

I have audited the financial statements of JSL Builders and Construction Supply, which comprise the financial position as of and for the period ended December 31, 2022 (with comparative figures for December 31, 2021) and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the period then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the accompanying financial statements present fairly, in all material respects, the financial position of JSL Builders and Construction Supply as at December 31, 2022 and its financial performance and cash flows for the period then ended in accordance with Philippine Financial Reporting Standards (PFRSs).

Basis for Opinion

I conducted my audit in accordance with Philippine Standards on Auditing (PSAs). My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements sect ion of my report. I am independent of the company in accordance with the ethical requirements that are relevant to my audit of the financial statements and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Responsibilities of Management and Those Charged with Governance for the Company Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with PFRSs, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

BUREAU OF INTERNAL REVENUE 1910 No. 63 Calapan City

JOJO M. BARRIENTOS OIC. Chief Collection Section

Auditor's Responsibilities for the Audit of the Financial Statements

My objective is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with PSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with PSAs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to
 fraud or error, design and perform audit procedures responsive to those risks, and obtain audit
 evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not
 detecting a material misstatement resulting from fraud is higher than for one resulting from error,
 as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the
 override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of the company's internal control.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modufy my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the finsncial statements, including the
 disclosures, and whether the financial statements represent the underlying transactions and events
 in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities to express an opinion on the consolidated financial statements. I am responsible for the direction, supervision and performance of the audit. I remain solely responsible for my audit opinion.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

Report on the Supplementary Information Required Under Revenue Regulations 15-2010

My audits are conducted for the purpose of forming an opinion on the financial statements taken as a whole. The supplementary information required under Revenue Regulations 15-2010 as disclosed is presented for purposes of filing with the Bureau of Internal Revenue and is not a required part of the basic financial statements. Such information is the responsibility of management. The information has been subjected to the auditing procedures applied in my audit of the basic financial statements. In my opinion, the information is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS As of December 31, 2022 (Amounts in Philippine Peso) (Amended)

NOTE 1 – GENERAL INFORMATION

Jill Sander J. Literal is engaged in construction business and retail of construction products and other related goods. JSL Builders And Construction Supply is registered with the Department of Trade and Industry on February 10, 2021 under Certificate No. 2639981 and is valid until February 10, 2026. It is registered with the Bureau of Internal Revenue as Vat taxpayer under OCN 063RC20220000002525. The business is located at Poblacion 1, Victoria, Oriental Mindoro.

The financial statements of Mr. Jill Sander J. Literal for the year ended December 31, 2022 (with comparative figures for December 31, 2021) were authorized for issue by the owner on March 1, 2023.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

2.1 Basis of Preparation

The financial statements of the entity had been prepared on a historical cost and are presented in Philippine Peso, which is the Entity's functional and presentation currency. All values represent absolute amounts excepts when otherwise indicated.

The accompanying financial statements have been prepared on a going concern basis, which contemplate the realization of assets and settlement of liabilities in the normal course of business.

2.2 Statement of Compliance

These financial statements have been prepared in accordance with Philippine Financial Reporting Standard for Small Entities (PFRS for SE's) issued by the Philippine Securities and Exchange Commission (SEC) and approved by Financial Reporting Standards Commission December 13, 2017 and Board of Accountancy (BOA) and Professional Regulation Commission on February 20, 2018.

2.3 Financial Instruments

A financial instrument is any contract that gives rise to both a financial asset of one entity and a financial liability or equity instrument of another entity. A financial contraction section Section Section 1010. 215-314-311-000

De-recognition of financial assets occurs when the rights to receive cash flows from the financial instruments expire or are transferred and substantially all of the risks and rewards of ownership have been transferred.

The entity's financial instruments consist of cash and cash equivalents, trade and other receivables, borrowings, trade and other payables.

2.4 Cash and cash equivalents

Cash and cash equivalents include cash on hand, demand deposits and other short-term highly liquid investments with original maturities of three months or less.

2.5 Trade receivables

Trade receivables are recognized initially at the transaction price. They are subsequently measureeed at amortized cost using the effective interest method. A provision for impairment of trade receivables is established when there is objective evidence that the entity will not be able to collect all amounts due according to the original terms of the receivables.

2.6 Merchandise Inventory

Merchandise inventories are stated at the lower of cost or market value (i.e, the probable selling price to willing buyers as at the reporting date). Cost is determined using the first-in, first-out (FIFO) method.

2.7 Property and Equipment

Property and equipment are valued at cost less accumulated depreciation and any impairment in value. Additions, betterments, and major replacements are capitalized while minor repairs and maintenance are charges to expense as incurred. When assets are retired or otherwise disposed of, the cost and related accumulated depreciation and any impairment loss are removed from the accounts and any resulting gain or loss is credited to operations for the year.

Provision for depreciation is computed using the straight-line method based on their estimated useful lives.

The useful life, depreciation and amortization method are reviewed periodically to ensure that the period and method of depreciation and amortization are consistent with the expected pattern of economic benefits from items and property and equipment.

2.8 Financial liabilities

Financial liabilities include trade and other payable, loans payable, and income tax payable.

Other payable represents statutory obligations to Social Security System, Philippine Health Insurance Corporation, Home Development Mutual Fund and Bureau of Internal Revenue.

Financial liabilities are recognized initially at their fair value and subsequently measured at amortized cost less payments.

Financial liabilities are derecognized from the balance sheet only when the obligations are extinguished through settlement, cancellation or expiration.

2.9 Income tax

The entity accounts for its income taxes using the taxes payable method.

Under the taxes payable method, an entity shall recognize a current tax liability for tax payable on taxable profit for the current and past periods. If the amount paid for the current and past periods exceeds the amount payable for those periods, the entity shall recognize the excess as a current tax asset.

An entity shall measure its current tax liabilities (assets) using the tax rates and laws that have been enacted or substantively enacted by the reporting date. An entity shall regard tax rates as substantively enacted when future events required by the enactment process historically have not affected the outcome and are unlikely to do so.

An entity shall not discount current tax assets and liabilities.

2.10 Revenue Recognition

Revenue is the gross inflow of economic benefits during the period arising in the course of the ordinary activities of an entity when those inflows result in increases in equity, other than increases relating to contributions from equity participants. The revenue of the business consists of sales from merchandising.
