Management is responsible for the preparation and fair presentation of the financial statements in accordance with PFRS for SEs, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the its ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate it or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing its financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with PSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with PSAs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the its internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the its ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause it to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

Report on the Supplementary Information Required Under Revenue Regulations (RR) No. 15-2010 of the Bureau of Internal Revenue

My audit was made for the purpose of forming an opinion on the financial statements taken as a whole. The supplementary information in Note 4 to the financial statements is presented for purposes of filing with the Bureau of Internal Revenue and is not a required part of the basic financial statements. Such information is the responsibility of management. The information has been subjected to the auditing procedures applied in my audit of the basic financial statements. In my opinion, the information is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Report on the Audit of the Financial Statements

Opinion

I have audited the financial statements of **MARIA SOCORRO C. MENDOZA**, which comprise the financial position as of and for the year ended December 31, 2023 (*with comparative figures for December 31, 2022 and 2021*) and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the period then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the accompanying financial statements present fairly, in all material respects, the financial position of **MARIA SOCORRO C. MENDOZA** as at December 31, 2023 and its financial performance and cash flows for the period then ended, in accordance with Philippine Financial Reporting Standards (PFRSs).

Basis for Opinion

I conducted my audit in accordance with Philippine Standards on Auditing (PSAs). My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of my report. I am independent of the company in accordance with the ethical requirements that are relevant to my audit of the financial statements and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Responsibilities of Management and Those Charged with Governance for the Company Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with PFRSs, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatements, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters relate to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

My objective is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with PSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with PSAs, I exercise professional judgment and maintain professional skepticism throughout the audit, I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities to express an opinion on the consolidated financial statements. I am responsible for the direction, supervision, and performance of the audit. I remain solely responsible for my audit opinion.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

Report on the Supplementary Information Required Under Revenue Regulations 15-2010

My audits are conducted for the purpose of forming an opinion on the financial statements taken as a whole. The supplementary information required under Revenue Regulations 15-2010 as disclosed is presented for purposes of filing with the Bureau of Internal Revenue and is not a required part of the basic financial statements. Such information is the responsibility of management. The information has been subjected to the auditing procedures applied in my audit of the basic financial statements. In my opinion, the information, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND FINANCIAL REPORTING PRACTICE

Basis of Preparation

The accompanying financial statements have been prepared using the historical cost basis and are presented in Philippine Peso, which is the company's functional and presentation currency. All amounts are rounded off to the nearest peso, unless otherwise indicated.

In March 2018, the Philippine Securities and Exchange commission resolved to adopt PFRS for small entities (the Framework) as part of its rules and regulation on financial reporting. This framework was develop in response to feedback of small entities that PFRS for small and medium-sized entities (PFRS for SMEs) is too complex to apply. By reducing choices for accounting treatment, eliminating topics that are generally not relevant to small entities, simplifying methods of recognition and measurements, and reducing disclosure requirements, the framework allows small entities to comply with the financial reporting requirements without undue cost or burden. The framework is effective for annual periods beginning on or after January 1, 2019, with early applicable permitted.

The company has opted to adopt the framework at its mandatory effective date.

Statement of Compliance

The financial statements are prepared in compliance with the framework.

Cash

Cash includes cash on hand and in bank. Cash in bank earns interest and prevailing bank deposit rates.

Financial Instruments

A facial instrument is any contract that gives rise to both a financial asset of one entity and a financial liability or equity instrument of another equity. A financial instrument is recognized when the entity

comes a party to its contractual provisions. The company classifies its financial instruments into the following categories: (a) basic financial instruments; and (b) complex financial instruments. The company's basic financial instruments consist of cash and cash equivalent, receivables, and accrued expenses and other payables. The company does not have complex financial instruments.

Basic Financial Instruments

Initial Measurement

On initial recognition, a debt financial instrument is measured at transaction price (including transaction cost), unless the arrangement is in effect a financing transaction. In this case, it is measured at present value of the future payment discounted using a market rate of interest for similar debt instrument.

Subsequent Measurement

The company's debt financial instrument are subsequently measured at amortized cost using effective interest method.

Impairment of financial instrument measured at amortized cost

At each reporting date, the company assesses whether there is objective evidence of impairment on my financial assets that are measured at amortized cost. Where there is any objective evidence of impairment, an impairment loss is recognized immediately in profit or loss.

Derecognition of financial assets

An entity only derecognizes a financial asset when the contractual rights to the cash flows from the assets have expired or ore settled, or the entity has transferred to another party substantially all the risks and rewards of ownership relating to the financial asset.

Derecognitional of financial liabilities

Depreciation commences when asset are available for use and is computed using the straight-line method over the following estimated useful lives of the assets:

	<u>Useful Life in Year</u>

Machineries and Equipment	10
Transportation Equipment	10

The useful life and depreciation method are reviewed periodically to ensure that the periods and method of depreciation are consistent with the expected pattern of economic benefits from the items of property and equipment. When assets are retired or otherwise disposed of, the cost related accumulated

Depreciation and any allowance for impairment losses are removed from the accounts. Any resulting gain or loss is recognized in profit or loss.
Fully depreciated assets are retained in the accounts until they no longer in use.

Impairment of Assets

Assets such as property and equipment are assessed at each reporting date to determine whether there is any indication that the assets are impaired. When an impairment indicator is identified, the carrying value of asset is tested for impairment. An impairment loss is recognized for the amount by which the asset's fair value less cost to sell and value-in-use. If the recoverable amount cannot be estimated for an individual assets, the company estimates the recoverable amount of the cash generating unit to which the assets belong. The cash generating unit is the smallest identifiable group of assets that generates cash inflows that are independent of the cash flows from other assets within the company.
