Madam:

We are midway through the implementation of our Research Project **Mapping the Way Forward: Enhancing Efficiency in Agriculture, Fishery, and Natural Resources in Oriental Mindoro**, our purchase request for ICT materials that are needed in this project is still in process. To hasten the procurement process, I express my consent to downgrade the specifications stated on my previously approved PR so we can accommodate a qualified supplier and proceed smoothly to the next activities of the project which require these ICT materials.

In connection with this, I respectfully solicit your approval for this request. As the Project Leader, I do not see any issues in the downgrading of the specifications because our expected functionality and purpose would still be served. Secondly, it will shorten the procurement process considering the days or weeks it will take if I insist on strictly following the specifications stated in my previously approved PR which will consume much of the project timeline.

I am hoping for your preferential approval regarding this matter. The previously approved PR and a new one are attached for your reference.

Thank you very much.
