Report on the Audit of the Financial Statements

Opinion

I have audited the financial statements of MARIA SOCORRO C. MENDOZA, which comprise the financial position as of and for the year ended December 31, 2023 (with comparative figures for December 31, 2022 and 2021) and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the period then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the accompanying financial statements present fairly, in all material respects, the financial position of MARIA SOCORRO C. MENDOZA as at December 31, 2023 and its financial performance and cash flows for the period then ended, in accordance with Philippine Financial Reporting Standards (PFRSs).

Basis for Opinion

I conducted my audit in accordance with Philippine Standards on Auditing (PSAs). My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the company in accordance with the ethical requirements that are relevant to my audit of the financial statements and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Responsibilities of Management and Those Charged with Governance for the Company Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with PFRSs, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatements, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters relate to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

My objective is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with PSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with PSAs, I exercise professional judgment and maintain professional skepticism throughout the audit, I also:

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud
or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is
sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material
misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve
collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

This framework was develop in response to feedback of small entities that PFRS for small and medium-sized entities (PFRS for SMEs) is too complex to apply. By reducing choices for accounting treatment, eliminating topics that are generally not relevant to small entities, simplifying methods of recognition and measurements, and reducing disclosure requirements, the framework allows small entities to comply with the financial reporting requirements without undue cost or burden. The framework is effective for annual periods beginning on or after January 1, 2019, with early applicable permitted.
