Dear Pres. Apostol,

Greetings!

Considering that the existing contract for our dedicated hosting provider has reached its threeyear duration, we acknowledge that a renewal is no longer permitted under current procurement rules. Therefore, we propose proceeding with a new purchase of the required services through Small Value Procurement as the appropriate mode of bidding.

The hosting services currently cater to our online platforms, including our official website, enrollment, library website, mailing services, and payroll viewer portal. This is one of the key reasons why we prefer to continue using a dedicated hosting services, as it ensures the continuity and stability of these critical systems.

We kindly request the initiation of the procurement process for the said services.

Attached are the preferred technical specifications, scope of work, ABC and terms and conditions for your reference.

Should you need further details or supporting documentation, please feel free to reach out.

Thank you for your attention to this matter.
