2. The following documents shall be deemed to form and be read and construed as part of this Agreement, viz.:

- (a) Invitation to Bid;
 - (b) Instructions to Bidders;
 - (c) Bid Data Sheet;
 - (d) Addenda and/or Supplemental/Bid Bulletin, if any;
 - (e) Bid Form and the Price Schedule submitted by the Bidder;
 - (f) Schedule of Requirements;
 - (g) Technical Specifications;
 - (h) General Conditions of Contract;
 - (i) Special Conditions of Contract; and
 - (j) Entity's Notification of Award.
3. The Contractor shall perform the above-mentioned works within **two hundred seventy (270) calendar days** from the date of the receipt of the Contractor of this Contract and Notice to Proceed.
 4. The Entity shall pay in consideration of the work performed within the stipulated period and fulfillment of other items and considerations of this contract, and acceptance of the work performed shall pay the Contractor the amount of **Twenty Nine Million Six Hundred Twenty Eight Thousand Nine Hundred Ninety Eight Pesos (Php 29,628,998.00)**.
 5. The Entity hereby covenant to pay the contractor in consideration of the construction work at the contract price provided that the payment shall be made upon request of the contractor on the basis of accomplishment of the project prepared by the Project Engineer of MinSCAT. The implementing rules and regulations regarding adjustments of the contract price adopted and approved by the Government shall be applicable in this contract.
 6. Progress payments are subject to ten percent (10%) retention referred to as the "retention money" and shall be due for release upon final acceptance of the works. The Contractor may however request for the substitution of the retention money for its progress billing with the surety bonds on demand of amounts equivalent to the retention money substituted for and acceptable to Entity, provided that the project is on schedule and is satisfactorily undertaken. Otherwise, the ten percent (10%) retention shall be made. Said surety bonds, to be posted in favor of the Entity shall be valid for a duration to be determined by the Entity and will answer for which the ten percent (10%) retention is intended, i.e., to cover uncorrected defects and third party liabilities.
 7. Advance payment equivalent to fifteen percent (15%) of the total contract amount representing mobilization is allowed upon request of the contractor and is subject to approval by the College President.
 8. In case the contractor refuses or fails to satisfactorily complete the work within the specified contract time, plus anytime extension duly granted and is hereby in default under the contract, the contractor shall pay the Entity for liquidated damages and not by way of penalty, an amount to be determined in accordance to the following formula for every calendar day of delay, until the work is completed and accepted or taken over by the Government.
 $LD = .001 \times CP$
- Where:
- LD = Amount of liquidated damages for each calendar day of delay
 - CP = total Contract Price minus the value of the completed portions of the contract certified by the Government Office concern as usable of the expiration of the contract time
9. In case the Contractor lags behind the schedule in his work and incurs 15% or more negative slippage, based on his approved PERT/CPM, the Entity will rescind the contract pursuant to existing laws, rules and regulations.
 10. In consideration of payment to be made by the Entity to the Contractor as hereinafter mentioned, the Contractor hereby covenants with the Entity to construct, complete and maintain the works in conformity in all respects with provisions of the contract, and all defects noted in its performance during the first twelve (12) months after acceptance of
